

Welcome to the first weekly mailing of Biblical Insights by John Temples. This material is gleaned from 52 years of Bible research, preaching, teaching Bible classes, and answering Bible questions folks have asked me.

The purpose of Biblical Insights is to help people gain a better understanding of their Bibles on various subjects. Topics will vary widely, but will mostly be doctrinal in nature.

Lord willing, I plan to mail these Insights weekly, every Wednesday. I might even throw in some Christian humor or a Bible crossword from time to time.

If you benefit from these notes, or if you would like to suggest a topic for a future mailing, I'd enjoy hearing from you. Please feel free to forward them to others, use them for help in preparing sermons or class lessons, or share them generally.
